## God speaks from mountain

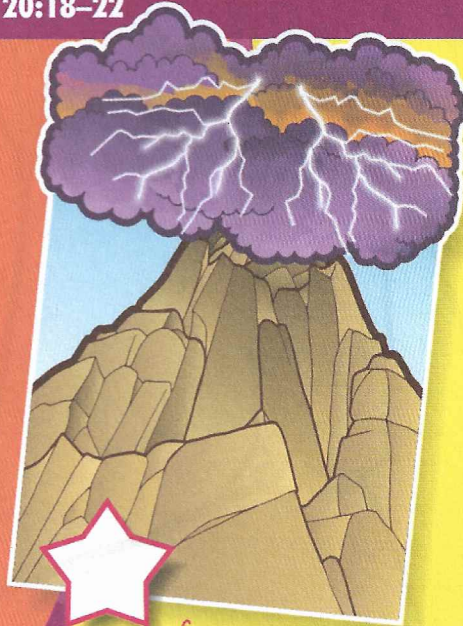

This Bible story comes from **Exodus 19; 20:18-22**

God's people came to a mountain.

"God loves us," said Moses.  
"He is going to give us some rules."  
The people got ready.

They saw a cloud, fire and lightning!  
They felt the ground shake!  
They heard God speak!

The people listened to God.
