Keep God's name special

This Bible story comes from Exodus 20:7; Job 1:1-2:10

Job loved God.

But lots of bad things happened to him.

Job's wife told him to say bad things about God.

"No," said Job.

Job still loved God.

He knew God's name is special.

He said, "May the name of the Lord be praised."

God

is more important
than anyone!
His name is
extra special

What is your name?
