

## 1 Do not hurt people

This Bible story comes from **Exodus 20:13; Matthew 5:21-22**

Jesus sat on a mountain to teach lots of people.

He taught them that it is wrong to be angry with other people.

When we are angry we can hurt others.

We must ask God to help us to love others and not be angry.

**We can always  
ask God to help us  
not get angry**
